

ORGANIC CALCIUM-MAGNESIUM

GUARANTEED ANALYSIS

Calcium (Ca)..... 4.00%
Magnesium (Mg)..... 1.65%

DERIVED FROM: Calcium Carbonate, Magnesium Chloride

EZ-Gro Organic Calcium-Magnesium is a solubilized liquid organic calcium and magnesium supplement. Calcium and magnesium are essential to plant health and for proper root and leaf development. All components are completely soluble and instantly available for improved nutrient uptake by plants. **EZ-Gro Organic Calcium-Magnesium** provides fast relief to plants under calcium and magnesium deficiency stress and improves plant growth and vigour.

APPLICATION RATES

FOLIAR APPLICATION: Use 2 to 4 litres per hectare. Apply to plant foliage to point of run-off throughout growing season, as needed.

SOIL APPLICATION: Use 8 to 16 litres per hectare. Apply in irrigation water until ground is saturated. Continued applications every 7 to 14 days, at rate of 2 litres per hectare through growing season, as needed.

HYDROPONIC & SOILLESS GROWING MEDIUMS: Use 1 - 2.5 ml per litre of water in reservoir once per week or as needed through the entire lifecycle of the plant.

NURSERY & CONTAINER: Mix 5 - 15 ml per litre of water. Can be applied as a foliar spray or as a soil drench. Continue use through the season as needed.

TURF & LAWNS: Use 80 - 150 ml per 100 square metres. Apply through irrigation water. Continue applications at rate 25ml per 100 square metres, every 7 to 14 days as needed.

ATTENTION - Keep out of reach of children and animals

Avoid release to water sources. | Store locked up, tightly closed, in a dry, well-ventilated area. | Dispose of contents and packaging in accordance with local, regional, and federal requirements.

- 4L (4KG)
- 10L (10KG)
- 20L (20KG)
