

Saving is the name of the game.

Order between January 1st and November 30th 2026

To get the BASF rebate for one of these three options:

Lexicon Fungicide

Insignia Pro Fungicide

Honor Fungicide

Maxtima Fungicide

Xzemplar Fungicide

- \$5,000 to \$14,999 will receive a 3% BASF Rebate
• \$15,000 to \$24,999 will receive a 5% BASF Rebate
• \$25,000 or more will receive an 8% BASF Rebate
• Reward Boost: Buy Insignia Pro\* and receive an extra 2% to your existing Infinity Rewards level!

Customers will receive a rebate based on purchases made by Golf Courses on select BASF brands.

For more information, contact your local BASF Turf Representative or visit www.BetterTurf.ca.

\* Purchase 2 or more jugs of Insignia Pro to qualify

A strong foundation you can count on under the toughest conditions.

New Lexicon fungicide delivers broad-spectrum control of up to 14 diseases, including anthracnose, dollar spot, pythium, summer patch, take-all patch and microdochium patch.

Active ingredients

Pyraclostrobin - Group 11
Fluxapyroxad - Group 7

- Controls diseases on turf for up to 28 days to ensure the longest possible spray intervals
• Unique Intrinsic Plant Health Benefits help mitigate environmental and mechanical stress for healthier turf and enhanced golf surfaces

1 Plant Health Benefits refer to products that contain the active ingredient pyraclostrobin.
2 All comparisons are to untreated, unless otherwise stated.

For more information, contact your local BASF Turf Representative or visit www.BetterTurf.ca.

Always read and follow label directions.
