Letter of Assurance

Sierra Biological Inc. assures that the Banker Plants (*Rhopalosiphum padi* on *Avena sativa*) are in compliance with Good Manufacturing Practices.

The letter of assurance guarantees that these products and packaging are controlled and meet the following conditions

- Undergo USDA phytosanitary inspection.
- Reared from isolated culture.
- Does not contain genetically modified organisms.
- Do not contain any preservatives.
- Stored, transported and delivered under conditions to minimize hazard and contamination.

A handwritten signature in black ink, appearing to read "TP", with a long, sweeping horizontal line extending to the right.

Tyler Palmer

Manager
