**Product Name: Cucumber Beetle Lure**  
**Product Code: VT-301, VT-310 (10 pack)**

This product consists of blend of cucumber beetle pheromones impregnated into cardboard carrier encased in polyethylene membrane. Each lure is packed in an impermeable aluminum pack. The product is intended for use as an attractant for *Spotted Cucumber Beetle* & *Banded Cucumber Beetle*.

## Section 2: Composition / Information on Ingredient

### Active ingredients:

Name: Blend of Cucumber Beetle pheromones  
CAS#: N/A

## Section 3 Hazards Identification

### Emergency Overview – for product

Non-Harmful

Combustible

For additional information on toxicity refer to Section 11.

## Section 4 First Aid Measures

**Oral Exposure:** Pheromone impregnated into cardboard carrier very difficult to swallow.

**Inhalation Exposure:** Active ingredient goes free in a rate of less than 0.01 g per day at 20°C. Inhalation not feasible.

**Dermal Exposure:** May cause irritation from prolonged (days of continuous) direct exposure to devices as would occur if devices were carried in clothing.

**Eye Exposure:** No known problem with eye contact.

## Section 5 Fire Fighting Measures

**Extinguishing Media:** Suitable: Water spray. Carbon dioxide, dry chemical powder or appropriate foam.

## Section 6 Accidental Release Measures

**Procedure to be followed in case of leak or spill:** Pick up cardboard devices and dispose of in approved manner. No need for evacuation.

## **Section 7 Handling and Storage**

**Handling:** No special precautions necessary when handling these devices.

**Storage:** Suitable: Keep away from heat, sparks and open flame, store at or below 25°C.

## **Section 8 Exposure Controls / PPE**

**Personal Protective Equipment:** No respiratory equipment required.

**Hand:** Compatible chemical resistant gloves recommended for prolonged handling.

**Eye:** No precautions necessary if devices are handled in prescribed manner.

**General Hygiene Measures:** Wash contaminated clothing before reuse. Wash thoroughly after handling.

## **Section 9 Physical**

Appearance: White Plastic Pouch

## **Section 10 Stability and Reactivity**

**Stability:** Stable. **Reactivity:** None

**Hazardous Decomposition Products:** Carbon dioxide and Carbon monoxide.

**Hazardous polymerization:** Will not occur.

## **Section 11 Toxicological Information**

The following applies to the devices enclosing the active ingredient when used in the prescribed manner.

**Skin Contact:** Not known to cause skin irritation.

**Skin Absorption:** Not absorbed through the skin.

**Eye Contact:** May cause eye irritation if directly rubbed in eye due to abrasion.

**Inhalation:** Material not possible to inhale.

**Ingestion:** Material could cause choking if swallowed.

**Signs and Symptoms of Exposure:** To the best of our knowledge, the chemical, physical and toxicological properties have not been thoroughly investigated.

### **Toxicity Data**

Threshold Limit Value: N/A

OSHA Permissible Exposure Limit (PEL): N/A

Listed as carcinogen by NTP, IRAC or OSHA: No

## **Section 12 Ecological Information**

No data available.

## **Section 13 Disposal Considerations**

### **Appropriate Method of Disposal of Substance or Preparation**

Contact a licensed professional waste disposal service to dispose of this material. This combustible material may be burned in a chemical incinerator equipped with an afterburner and scrubber. Observe all federal, state and local environmental regulations.

## **Section 14 Transport Information**

**DOT**

Not Regulated

**IATA**

Not Regulated

**Section 15 Regulatory Information****US Classification and Label Text**

No special classification

**United States Regulatory Information**

SARA Listed: No.

TSCA Inventory Item: No.

**Canada Regulatory Information**

WHMIS Classification: This product has been classified in accordance with the hazard criteria of the CPR, and the MSDS contains all the information required by the CPR.

**Section 16 Other Information****Disclaimer**

For use in crops.

**Warranty .**

The above information was obtained from sources we believe to be reliable, however the information in this MSDS is provided without any warranty, express or implied regarding its correctness. Symbiosys makes no representations or warranties either express or implied, of merchantability, fitness for a particular purpose or of any other nature with respect to the information or the product to which the information refers. Symbiosys sole and exclusive liability with respect to products that are proven to Symbiosys satisfaction to be defective or nonconforming shall be the replacement of such products in accordance with Symbiosys instructions.
